Work Experience

One Girl Cookies

Barista | Oct, 2018 – Mar, 2019

Education

The University of Texas at Austin

Coding Boot Camp – Full Stack Web Development, Computer Science | Oct, 2019 – Jun, 2020

After some initial experience in Java and Swift, I set out to learn JavaScript and the most popular stacks that go with it. In the course we utilized Mongo, Express, Reactjs, Node.js, MySql, Es6; as well as a variety of CSS frameworks such as Material.ui, Bootstrap and Bulma.

Projects

Winrate-gg

May, 2020 – Current

A tool for analyzing your League of Legends performance using RIOT api data.

Volunteering

Plan My Gap Year, Sri Lanka

Sea Turtle Conservation & Teaching English | Apr, 2019 – May, 2019

Took care of injured and baby turtles, as well as cleaning nesting sites and releasing babies.

Taught young Buddhist monks how to read, write, and speak English.

Eagle Scout Project

Long Acre Ranch Risers | Jul, 2017 – Aug, 2017

Built a pair of sturdy wooden risers to support students while they watch educational nature presentations.
